National Treasury Management Agency

## NTMA Graduate Programme 2022

Invest in your Future

### Summary of the Business

The National Treasury Management Agency (NTMA) provides asset and liability management services to the Irish Government. It has evolved from a single function agency managing the National Debt to a manager of a complex portfolio of public assets and liabilities.

Businesses managed by the NTMA include borrowing for the Exchequer and the management of the National Debt, the State Claims Agency, the New Economy and Recovery Authority (“NewERA”), the Ireland Strategic Investment Fund and the National Development Finance Agency. The NTMA also assigns staff to the National Asset Management Agency (“NAMA”), the Strategic Banking Corporation of Ireland (“SBCI”) and Home Building Finance Ireland (“HBFI”) (together the “Associated Agencies”).

Working at the NTMA offers excellent benefits including:

- Flexible work options including remote working and variable work hours
- An extensive wellbeing programme.
- Excellent learning and development opportunities that allow for full career development within the organisation.
- A diverse range of initiatives: LGBT+, Gender Matters, Disability Awareness, Sports & Social, Volunteering and lots more.
- Reimbursement of annual professional membership fees.
- Defined Benefit Pension Scheme.

### Role Summary

We have an exciting opportunity for a talented and motivated individual to join the NTMA on a 24-month graduate programme commencing in September 2022.

The programme is open to graduates with degrees in Accountancy/ Commerce/Finance/Economics or a related discipline.

National Treasury Management Agency

## Our graduate programme includes:

- Competitive salary and 23 days annual leave
- Education support and paid study leave
- A mentor to guide you on your career journey
- Extensive workplace wellbeing programme
- State of the art facilities with sustainably designed modern workspaces
- Advanced technology enabling flexible and remote working
- Career average defined benefit pension scheme

## Do you have what it takes?

Are you at the start of your career and looking to make your contribution to an interesting and dynamic organisation with national impact? Are you diligent and motivated, keen to take responsibility and to learn and expand your abilities?

- Successful candidates will have a minimum of an NFQ Level 8 Degree and/or a Master's Degree ideally in Accountancy/ Commerce/Finance/Economics or a related discipline.
- Applicants must have the correct legal status to work in Ireland (Irish Citizen, EEA Citizen, Stamp 4, Stamp 1G).

## Application Process:

The NTMA are strong believers in the value a diverse work force brings to our business endeavours. To support this objective, the NTMA has partnered with AHEAD to recruit a graduate with a disability for one ring-fenced role on the NTMA Graduate Programme 2022, commencing September 2022.

There will be no psychometric testing for this role and necessary arrangements can be made at interview stage to accommodate the needs of candidates with disabilities, please liaise with the NTMA through AHEAD.

All applications should be made through AHEAD's website [www.ahead.ie/wamworks](http://www.ahead.ie/wamworks) by **12pm on 24th January 2022**.

If you have any questions on this process please get in touch with our Disability Liaison Officer - Laura Finnegan [lfinnegan@ntma.ie](mailto:lfinnegan@ntma.ie) or the WAM programme [WAM@ahead.ie](mailto:WAM@ahead.ie)
