

# College Fair

**For students with disabilities  
and specific learning difficulties**

**Visit exhibition stands from colleges nationwide  
and attend interactive seminars on:**

- Getting the most from your disability service
- The road to independent learning
- The latest in assistive technology
- Making an application to the Disability Access Route to Education (DARE)
- College 101: Surviving freshman year

**This event is free.  
No need to register.**

**+** Guidance Counsellor only talk:  
'Creating Positive School Experiences for Students  
with Disabilities' by Dr Conor McGuckin

## Better Options 2013
